The Cloak of Visibility, The Space

"Juliann worked on The Cloak of Visibility as the operator/technician. She seamlessly fit into the team and behaved in a professional and friendly manner with everyone that she met. She was efficient and proactive and met every challenge with a can do attitude. We enjoyed working with her tremendously and hope to work with her again in the future. I would recommend Juliann to anyone who needs an operator or technician."

Victor Correia (Director)

JULY 2017

As Is, The Courtyard Theatre

"Julian[n] is a brilliant Stage Manager/Tech. From one rehearsal [she] managed to get the bones of the shows in place for a flawless tech rehearsal. I was amazed at how quick [she] dealt with challenges and how detailed [she] was with notes. [She] reduced the stress of a normal tech and get in and made it look effortless. It was a a pleasure to allow [her] to take over and run the show, knowing it would be as you left it. I look forward to working with [her] in the future."

Saul Reichlin (Producer / Writer / Actor)

"As engineer, also undertaking front of house and Stage Manager's duties, the excellent Julian[n] Pichelski has shown [herself] to be highly skilled, patient, and easy to work with. I can heartily recommend [her]"
